

# SCHEDULE OF CHARGES IN USD

2023

Greetings from Accord Superspeciality Hospital, Faridabad!

We take pride in introducing we are a 380 bedded fully equipped center of excellence Accord Superspeciality Hospital, Faridabad, Delhi NCR backed by a panel of top doctors with thousands of Advanced Surgical procedures.

We are committed to providing the best possible experience to healthcare and wellness seekers during their stay with us at quite an affordable price.

As a rapidly growing destination for medical tourism, India has become known for its expertise in a range of medical fields, including cardiology, orthopedics, and oncology. Our hospital is at the forefront of this movement, offering world-class healthcare services and facilities to international patients. We understand that traveling for medical treatment can be stressful and overwhelming. That's why we go above and beyond to make the healthcare experience as smooth and comfortable as possible.

We would like to extend an invitation to your organization to consider partnering with us as we continue to expand our services and reach new markets. With our state-of-the-art technology, highly skilled doctors, and commitment to patient satisfaction, we are confident that we can offer your clients a truly unparalleled experience.

To share more about the best-in-class amenities and services we have to offer, we would like to schedule a call with your team.

We look forward to the opportunity to work together to create a happier healthier world.

We regularly perform advanced surgical procedures successfully with a high patient satisfaction rate. We are pleased to announce that in the very first year of our inception, we have gained a good reputation among patients across India as well as around the world.

In nut and shells, we are truly international. We encourage you to visit our website <https://accordhospitals.co.in> to browse the detailed profile of our doctors and the specialties we have.
