

### TREATMENT PLAN

<b>Patient Name</b>	<b>Mr. Alamin 32/M</b>	<b>Date: 20-07- 2023</b>
<b>Diagnosis / Treatment plan suggested</b>	<p>Submitted reports are reviewed by our senior consultants. According to the report the patient needs to come here for further detailed evaluation and after that the patient may need medical management.</p> <p>But the plan will be decided after seeing the patient personally and after detailed evaluation.</p> <p>This opinion is based on the received reports while formulating the treatment plan. The treatment plan may change after complete clinical evaluation of the patient. Any change of treatment plan will be in the best interest of the patient.</p>	
<b>Department</b>	Department of Dermatology & Plastic, Aesthetic & Reconstructive Surgery	
<b>Approximate length of stay in Chennai</b>	10 to 15 days stay in Chennai	
<b>Approximate cost of evaluation and treatment</b>	The approximate cost of detail evaluation would be USD 500-700 USD on OPD basis.	
<b>The above quote of package includes (for surgery/ procedure for IPD patients)</b>	<p>Room charges (for the specified period)</p> <p>Surgery &amp; Surgeon's fee</p> <p>O.T. charges &amp; consumables</p> <p>Anesthesia charges</p> <p>Investigations related to the surgery</p> <p>Medicines (standard) for the number of days as per the above package-If any extra medicine is required which is not routinely used then it would be charged as per the actuals.</p> <p>Bedside procedures etc.</p> <p>Food and Beverages for the patient.</p>	

<b>Exclusions</b>	All expenses for stay beyond the package period Professional charges of other consultants Any other additional procedure Use of special drugs/ consumables Additional Blood products Hotel Charges CT/MRI or complex lab investigations Cost of valves/conduits/grafts will be charged extra as per applicable rates over and above package cost
-------------------	---

#### **PAYMENT POLICY:**

- 100% of the package cost has to be deposited before the surgery.
- This costing is an indicative estimate (valid for 45 days) and based on the study of the reports of the patient. It does not include cost of high value drugs (if needed) - the actual billing will depend on the in-person examination of the patient by the doctor. The costing and stay estimates may vary due to unforeseen complications and/or medical reasons and/or the need to administer high-value drugs. Anything beyond the package stay will be charged extra and as per the actual.
- The USD exchange rate will be according to the hospital rate of the day of payment.

#### **FOREX ADVISORY:**

Please note as per Government of India foreign exchange rules (FEMA) all patients / passengers travelling to India and carrying currency more than US \$ 5000 or travelers cheques more than US \$ 10000 are required to declare the same as per the Customs Declaration Form (CDF) and carry with them the CDF form as proof of currency brought into the country.

#### **TRAVEL ADVISORY:**

- Please follow the instruction given by MOH of India for international travelers <https://www.mohfw.gov.in/>
- The travelers should be willing to follow all the rules and regulations which are implemented by the Government of India for COVID-19.
- All patients are advised to carry, all original and latest medical reports including scans/ x-rays /Investigation reports (in paper or electronic format) along with the clinical opinion and estimates provided by Global Hospitals to ensure that complete medical information is available to the service provider on their arrival in India.
- Valid VISA
