**Subject: Request for issuing a medical visa to SREE PARTHO ROY for treatment at  
Rainbow Children's Hospital- Hyderabad, India**

Respected Madam/Sir:  
Greetings from Rainbow Children's Hospital!

We write this letter of request to your high office to issue visa to one of foreign patients who wants to avail treatment at Rainbow Children's Hospital at Hyderabad, India

---

A Brief Introduction about Rainbow Children's Hospital

Rainbow Hospital for Children is a 1650-plus bedded comprehensive pediatric center and offers the best care available in modern pediatric medicine delivered in 16 state-of-the-art hospitals spread over metro cities in India like Bangalore, Hyderabad, New Delhi and Chennai.

Rainbow Hospital's Pediatric Intensive Care Unit treats more than 20000 critically ill children annually, in collaboration with various pediatric subspecialties such as Pediatric Neurology and Neurosurgery, Pediatric Nephrology, Oncology and Hematology, Pediatric Kidney Transplant, Pediatric Urology, Pediatric Gastroenterology and Liver Diseases, Pediatric Cardiology, Pediatric Surgery, and comprehensive Infertility and IVF etc.

Pioneering in minimal access pediatric surgery, out of nearly 40000 surgeries performed at Rainbow annually, 75% are done using laparoscopy.

---

Our team of medical experts have reviewed and examined the medical reports and information presented to us for **SREE PARTHO ROY**, Bangladesh national who suffering from Nephrology issues and needs evaluation followed by treatment.

After assessing the reports, we have advised the patients to come for a detailed clinical examination and followed by Nephrology treatment at Rainbow Children's Hospital in Hyderabad, India under the care of our Consultant – Nephrologist **DR. V.V.R SATYA PRASAD.**

Please issue necessary travel permit / medical visa for the patient- **SREE PARTHO ROY**. The passport details of patient and his attendants are given below for your reference:
