## IMPORTANT INSTRUCTIONS

The test results should only be interpreted by qualified and registered medical practitioners.\*The laboratory test results should be clinically correlated by the referring physician. "The reported results depend on the quality of the samples and sensitivity/specificity of the test methods."In case of grossly abnormal test results, the lab may perform repeat test from the same/fresh sample at its own or on the basis of clinicians/Clients request within 2 days post reporting.\*Inter-laboratory variations may be found in test results, and Labaid Limited (Diagnostics) shall not incur any liability due to such variance. \*This test report is not valid for medico-legal purpose. \*Labaid Limited (Diagnostics)and its staff will not take any responsibility or liability for any loss or injury resulting from incomplete or erroneous interpretation of the test results contained herein. Due to unexpected circumstances, the report delivery may rarely be delayed. Partial reproduction of this test report is not allowed
