Sub: Issuance of Visa for Medical Purpose

Dear Sir,

Medica Hospitals, one of the most reputed and leading healthcare chains in eastern India today, has built and managed a number of multispecialty and superspecialty healthcare facilities across the region over the past few years. Medica's oncology department excels in providing world-class cancer treatment driven by their collective clinical excellence of over 30+ years. With a multidisciplinary approach to treating all types and forms of cancer, our oncologists and onco-surgeons are supported by the latest cancer treatment technologies along with a team of highly-skilled reconstructive surgeons who deliver extensive treatment to all of our patients, adults and children alike. The 400+ bed Kolkata Hospital, located in Mukundapur, off EM Bypass, is today one of the most respected and trusted healthcare providers in Eastern India. Filling a huge lacuna in tertiary healthcare in the east, Medica has kept its promise of delivering quality healthcare using ethical practices in a transparent set up. The hospital has revolutionised healthcare delivery in the region through not just technological advancements and innovative treatment techniques, but also in the area of patient care.
