Payment/Forex Advisory:

The mode of payment will be either cash or bank transfer or international credit/debit card. 100 % payment needs to be deposited before surgery/procedure/investigations.

- You are required to share the transfer receipt with us if opted for wire transaction as it takes 7 to 10 working days to show up in our account. Hence, it is recommended to transfer the amount at least 10 days prior to the arrival.
- Please note, as per Government of India foreign exchange rules (FEMA), all patients /passengers travelling to India and carrying currency more than USD 5000 are required to declare the same as per the Customs Declaration Form (CDF) and should carry with them the CDF as proof of currency brought in to the country.
- CDF is available at the airport Custom office.
- Any medical procedure costing above USD 5000, we would request or prefer all funds to be transferred directly to the account of respective unit of Fortis Healthcare.
- Any amount can be accepted in foreign currency with declared value as per CDF
- In absence of CDF, foreign currency USD 5000 can only be accepted at the hospital in cash.
