

Name : Ronjit Chandra

ID : 240925-0049

Sex : M

Birth Date: 25/09/1964

Name : Ronjit Chandra
Reg No : 240925-0049
Referred By : OPD

Age : 60 Year
Date : 25-09-2024
Report No : 2409000928

Isotope Tc-99m HDP Whole Body Bone Scan
SPECT Dual Head Gamma Camera
SIEMENS e.cam signature series

H/O (Indication): Ca larynx.

Technique: Scan was done in anterior and posterior views in 2 hours post injection time

Scan Description:

Increased concentration of radiotracer noted at L-4,5 vertebrae.

Distribution & concentration of radiotracer are bilaterally symmetrical throughout rest of the skeletal system.

Renal clearance is normal with urinary bladder accumulation.

Impression: Bone scan is positive for secondary skeletal deposits
